

STRENGTH IN WEAKNESS

2 Corinthians 12:1-10

Our weakness is the vessel of God's strength.

Glory in your weakness to direct people's focus away from yourself.

Paul's goal in life was not to get people to think that he was wonderful. His goal in life was to get people to think that Christ is wonderful.

Glory in your weakness to distance yourself from your own strengths.

We tend to learn a lot more about God in the thorns of life than we do in our third heaven experiences.

Glory in your weakness to display the greatness of Jesus Christ.

You have a thorn? Face it—and then let God grace it!
