

CARVED IN STONE, PART 1
THE GOD WHO RESCUES & REALIGNS
Exodus 21:1-2

God rescues his people before he regulates them.

God RESCUES his people through gracious salvation.

The Ten Commandments are anchored in divine grace.

The Ten Commandments are announced in divine glory.

God REALIGNS his people through gracious instruction.

God's laws reflect his character.

God's character never changes.

God's nature and ways are always relevant.

God RESTORES his people ultimately through Jesus Christ.

Moses stood between God and the people as a flawed man—a prophet but not a Savior.

Jesus stands between God and the people as a flawless man—a prophet *and* a Savior.
